Rental Pathways Scheme

A road to opportunities

The Housing Authority has launched the Rental Pathways Scheme to help moderate income public housing tenants move into private rental accommodation.

What is the scheme?

The scheme will help you transition from public housing into private rental accommodation. The Housing Authority will contribute towards the market rent enabling you to ease yourself into the private rental market.

Under the scheme you may also be eligible for Commonwealth Rent Assistance which will provide further financial assistance towards your rent.

The Rental Pathways Scheme aims to provide you with the tools to progress your circumstances and move into independent housing.

Who is eligible?

The Housing Authority will discuss the Rental Pathways Scheme with tenants who are:

- Over the public housing income limit
- Have a good tenancy history
- Agree to the conditions of the Rental Pathways Scheme

You must also comply with your obligations under the Residential Tenancy Agreement which the real estate agent will have you sign.

What incentives will I be offered?

You will be provided supported entry into the private rental market and incentives including:

- Bond assistance*
- Up to \$500 for relocation costs*
- One week of rent waived in your current Housing Authority property
- Up to 24 months tenancy support from the Housing Pathways Unit

How can I find out more?
